

## Getting started in digital philanthropy

Explore digital philanthropy and benefit from comprehensive research tools. Use our search without restrictions, save your results in lists and join public networks to connect with other stakeholders. And last but not least, you get access to selected webinars, services and publications.

 Consult important contact details on portraits of nonprofits and funding organizations.

 Search for organizations without restrictions in the comprehensive foundation register. Save and manage suitable organizations in lists.

 Join all public networks, have inspiring discussions and connect with like-minded players.

 As Expert, you use individual donation services to increase the reach of nonprofits in a targeted manner.

 Submit grant requests digitally to participating funding organisations as a private individual or representative of an authority. The grant request assistant increases the matching chance.

 Deepen your knowledge in exclusive learning formats, such as 45-minute essentials or the Starter webinars.

 Discover our services and receive a print subscription to The Philanthropist. Share your account with up to 5 users.

## Starter Access in Detail

Status as of 5-25. Subject to changes to services and prices at any time. The current information on the platform is binding.

| Register   |                                  |
|--|----------------------------------|
| View contact details on portrait   | ✓                                |
| Research   |                                  |
| Use search without restrictions  | ✓                                |
| Save, share and export search results in lists                                 | ✓                                |
| Receive automatic updates for saved list entries                               |                                  |
| Receive individual recommendations based on list entries                       |                                  |
| Subscribe to public, curated lists   |                                  |
| Use table module for research lists  |                                  |
| Save searches and setup e-mail notifications                                   |                                  |
| Network  |                                  |
