The digital communication of your foundation work

Create your portrait, explore our directory and make targeted use of individual solutions. As a funder, you communicate your funding priorities, research suitable non-profit organizations and use the first digital tools to simplify your work processes.

- Create a portrait for your grant giving organisation, communicate your funding criteria and enter your funding history.
- Research in the foundation directory. On the Free level, the number of filters and search results is limited.
- Take part in trend networks and exchange ideas with funding partners.
- Comprehensive application management is available from the Partner level onwards.
- Try Spheriq AI with limitations. From the Pro level onwards, you can use prompts and chat without restrictions.
- Take part in webinars & workshops from the Academy.
- Use selfservices and services with up to 3 users. For personal support, you can book our tailored services.
