Donation Tools

Enter the world of digital fundraising

Whether you need a donation button for your website, current projects on SpendenSchweiz or a campaign generator to create your own fundraising campaigns – Spheriq offers users a comprehensive toolbox for all areas of digital fundraising from the Starter plan onwards.

- Appealing portrait pages with integrated donation form for your organisation and projects
- Donation button and QR code for direct redirection to your donation page
- Customised donation form for your own website available in the Pro plan and up
- Participation in fundraising campaigns
- Secure payment processing and automatic donation confirmation via Spheriq
- Backend with online donation overview and transmission of donation data
- High-quality editorial environment with donation guide and articles about selected organizations
- Anonymous large donations and foreign donations possible
